GLIDE

A faster, safer way to prepare real estate documents

Glide partnered with zipLogix™ to enable agents and transaction coordinators to invite clients to complete staterequired forms electronically using a secure, guided interface that provides contextual help along the way. In addition to validating input to ensure forms are complete, Glide allows transaction coordinators to track client progress and effortlessly manage the process for multiple agents using a single account. Glide then encodes the data received from the client into a completed C.A.R. approved PDF that is instantly available for signature within zipForm® or DocuSign

NO-SHOW POLICY:

Registration for free classes/events allows TRICO to plan for resources, materials, and other needed items for our members. When members "no-show" without cancelling, they prevent other members from attending a desired class/event. To prevent this from happening in the future, failure to cancel within 48 hours of the first day of class / day of event will incur a \$20 CANCELLATION FEE.
